Because of its failure, the garuda  
becomes a salt-maker

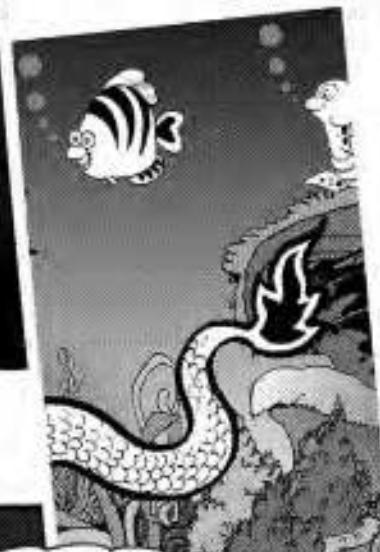

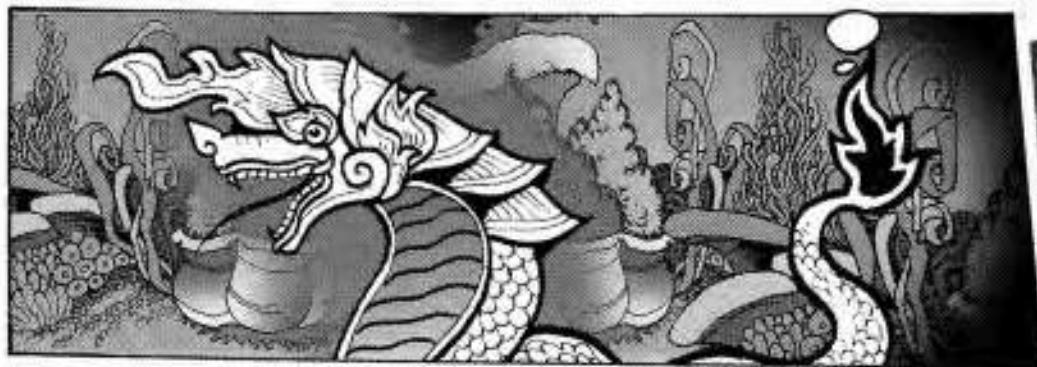

ගුෂ්‍යගැලුඩාවින පැවත්තයෙහු නිලයින්.. අහිංසාවෙන් තීඩි.

In the time immemorial, there was a dragon who lived in the sea.

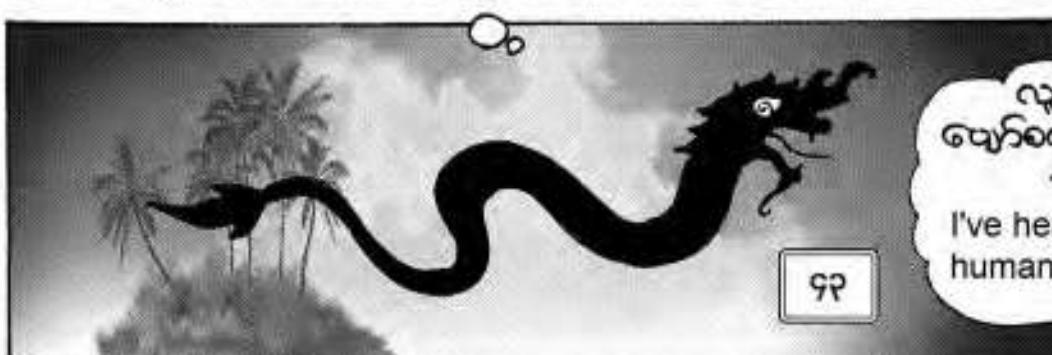

මම සුදුසු.. අහිංසාවෙන් නොවාගැනුවනුයි.. ල්‍රිංක්නයි..

Em! I've been living in the country of dragon for a long time and I'm boring now.

එක්සත් ජ්‍යෙෂ්ඨ ප්‍රියා නැවත නැවත මානව නොවාගැනීමි..

It will be good, if I transform myself into a human and live there.

උතිදා පෙන්වන යුතුවෙන් තුළුවෙන් සිට ..

I've heard that realm of human is very pleasant.
